

# NW Native Plants

The abundance of notably varied plant life is unique to the Pacific Northwest. As gardeners, it is only natural that we would want to incorporate these wonders into our own gardens. Why native plants? Natives are adapted to our climate and soils and they promote pollinating insects. When adding native plants to the garden, please consider your local microclimate, soil quality, and vegetation so they can flourish in your garden setting. Call to verify availability.

## Conifer Trees

### Latin Name

Abies concolor  
Abies grandis  
Calocedrus decurrens  
Chamaecyparis lawsoniana  
Chamaecyparis nootkatensis  
Larix occidentalis  
Picea sitchensis  
Pinus contorta  
Pinus monticola  
Pinus ponderosa  
Pseudotsuga menziesii  
Sequoia sempervirens  
Taxus brevifolia  
Thuja plicata  
Tsuga heterophylla  
Tsuga mertensiana

### Common Name

White Fir  
Grand Fir  
Incense Cedar  
Port Orford Cedar  
Alaska Cedar  
Western Larch  
Sitka Spruce  
Shore Pine  
Western White Pine  
Ponderosa Pine  
Douglas Fir  
Coast Redwood  
Western Yew  
Western Red Cedar  
Western Hemlock  
Mountain Hemlock

## Ferns

### Latin Name

Adiantum pedatum  
Athyrium filix-femina  
Blechnum spicant  
Dryopteris arguta  
Polystichum munitum  
Polypodium glycyrrhiza

### Common Name

Maidenhair Fern  
Lady Fern  
Deer Fern  
Coastal Wood Fern  
Sword Fern  
Licorice Fern

## Grasses and Rushes

### Latin Name

Deschampsia cespitosa  
Juncus effuses  
Juncus ensifolius

### Common Name

Tufted Hairgrass  
Common Rush  
Dagger-leaf Rush  
Spreading Rush

## Native Iris

### Latin Name

Iris chrysophylla  
Iris douglasiana  
Iris tenax

### Common Name

Slender Tubed Iris  
Douglas Iris  
Oregon Iris

## Deciduous Trees

### Latin Name

Acer circinatum  
Alnus rubra  
Amelanchier alnifolia  
Arbutus menziesii  
Betula papyrifera  
Cercis occidentalis  
Cornus nuttallii  
Crataegus douglasii  
Fraxinus latifolia  
Populus tremuloides  
Garrya elliptica  
Populus tremuloides  
Quercus garryana  
Rhamnus purshiana  
Salix hookeriana  
Salix lasiandra  
Umbellularia californica

### Common Name

Vine Maple  
Red Alder  
Western Serviceberry  
Madrone  
Paper Birch  
Western Redbud  
Pacific Dogwood  
Black Hawthorn  
Oregon Ash  
Quaking Aspen  
Coast Silktassel  
Quaking Aspen  
Oregon White Oak  
Cascara sagrada  
Hooker's Willow  
Pacific Willow  
Oregon Myrtle

## Shrubs

### Latin Name

Aronia melanocarpa  
Arctostaphylos uva-ursi  
Ceanothus thyrsiflorus  
Cornus sericea  
Garrya elliptica  
Gaultheria shallon  
Holodiscus discolor  
Lonicera ciliosa  
Lonicera involucrata

### Common Name

Black Chokeberry  
Kinnikinnick  
Blue Blossom  
Red twig dogwood  
Coast Silktassel  
Salal  
Oceanspray  
Orange Honeysuckle  
Twinberry
