2025 Rose Pre-order Program

To take advantage of our pre-order pricing, roses must be paid for at the time of order. Please note that additional discounts or coupons may not be applied to the pre-order program. Varieties will be sold on a first-come, first-served basis; we encourage you to order early for the best selection.

The deadline for pre-ordering is **Sunday, January 5, 2025**.

Normally, our roses arrive anywhere from late January to mid-February. As soon as they have arrived and are unpacked, organized, and tagged **we will call you** to let you know when you can pick up your order.

Bare-root roses must be picked up by **Sunday, March 2, 2025** to avoid additional potting charges.
